VAM Close Brothers Growth Fund is a compartment of VAM Managed Funds (Lux).

Annualised return is the weighted average compound growth rate over the performance period measured. Actual annual figures are available to investors on request.

Sources: Close Brothers Asset Management and Lipper IM. Close Brothers Asset Management is a trading name for Close Asset Management Limited. \*The performance is based on the performance of the underlying strategy (launched on 17<sup>th</sup> October 2011), net of VAM fees, up until 1<sup>st</sup> December 2015 when VAM Close Brothers Growth Fund was launched. Hypothetical performance is not necessarily indicative of future performance. Performance does not include the impact of any subscription fees, if applicable. The performance data shown above represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance data quoted. All rates of return include reinvested dividends and are net of all management and performance fees. Fund holding information upon which the above percentage allocation information is calculated was provided by Close Brothers Asset Management and is presented on a trade date basis of 31/03/2018. Close Brothers Asset Management is not the Depository Bank or Administrative Agent of the Fund and the information has not been reconciled to the Depository Bank's portfolio statements. Pricing of securities varies depending on pricing sources and methodology.
