VAM US Mid Cap Growth Fund is a compartment of VAM Funds (Lux).

Annualised return is the weighted average compound growth rate over the performance period measured. Actual annual figures are available to investors on request.

Sources: Driehaus Capital Management LLC and Lipper IM. Performance numbers represent the performance of Class B Shares of VAM Funds (Lux) – US Mid Cap Growth Fund as of 31/03/2018. Performance does not include the impact of any subscription fees, if applicable. The performance data shown above represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance data quoted. All rates of return include reinvested dividends and are net of all management and performance fees. Fund holding information upon which the above percentage weighting and portfolio characteristic information is calculated was provided by Driehaus Capital Management LLC (DCM) and is presented on a trade date basis of 31/03/2018. DCM is not the Depository Bank or Administrative Agent of the Fund and the information has not been reconciled to the Depository Bank's portfolio statements. Pricing of securities varies depending on pricing sources and methodology.

Driehaus Capital Management LLC-related information included is provided to VAM Funds (Lux) by Driehaus Capital Management LLC as an Investment Manager. The prospectus for VAM Funds (Lux) describes Driehaus Capital Management LLC's responsibilities as an Investment Manager under Luxembourg Law. Driehaus Capital Management LLC is not authorised by any non-US financial or securities regulator to provide investment advisory services. This information is not provided to the recipient for the purpose of soliciting investment advisory clients for Driehaus Capital Management LLC.
