Moreover, no dividends distributed by the Fund are subject to withholding tax.</p> <p>However, income collected by the Fund on securities in its portfolios may be subject to withholding tax which, in normal circumstances, cannot be reclaimed.</p> <p>The Fund's net assets are subject to a subscription tax of 0.05% per annum payable at the end of each quarter and calculated on the basis of the Fund's total net assets at the end of the relevant quarter. Austria, Belgium and Luxembourg have opted instead for a tax withholding system for a transitional period in relation to such payments. Switzerland, Monaco, Liechtenstein, Andorra, San Marino, Jersey, Guernsey, the Isle of Man and the dependent or associated territories in the Caribbean, have also introduced measures equivalent to information reporting or, during the above transitional period, withholding tax.</p> <p>The Directive has been implemented in Luxembourg by a law dated 21 June 2005 (the "EUSD Law").</p> <p>Dividends distributed by the Compartment will be subject to the Directive and the EUSD Law if more than 15% of the Compartment's assets are invested in debt claims (as defined in the EUSD Law) and proceeds realised by shareholders on the redemption or sale of shares in the Compartment will be subject to the Directive and the EUSD Law if more than 40% of the Compartment's assets are invested in debt claims.</p> <p>The applicable withholding tax will be at a rate of 20% from 1 July 2008 until 30 June 2011 and 35% from 1 July 2011 onwards.</p> <p>Given the investment policy of the Compartment, it is currently expected that the proceeds realised by Shareholders on the redemption or sale of shares in the Compartment will not be subject to the Directive and the EUSD Law.</p>
